At 09:30, the teambuilding program begins. Participants are split into two teams to do the following exercises:

- Team Flag - Each team is to come up with a motto for themselves and to make a flag using improvised materials.
- Funny Paintball - Unlike ordinary paintball, this contest uses water guns. The team to get wet fastest loses the game.
- Trust - All participants form a circle. One by one, all participants stand in the middle with their eyes closed and perform a "trust lean". The others are to hold him/her up.

• Group Frisbee.

At noon, lunch is served on the beach.

• New Purpose - The group is seated in a circle and a presenter passes round an object (a cup, napkin, ball, flip-flop etc.). Each participant is to think up a new purpose of this object. E.g. a flip-flop could be used as a fly-swatter. The person whose ideas are the most extraordinary will win.

• Wheelbarrows - This is a team relay race. Participants form pairs. In each pair, one person is acting as a wheelbarrow with his/her hands being the wheels and legs being the hand grip. With the command, the driver takes his/her partner by the legs so that the body is parallel to the ground. The wheelbarrow is to reach the flag marking the U-turn and to come back to where the next pair is ready to pick up the baton.

• Make Me Laugh - One participant tries to make the other laugh by telling funny stories, while the other person tries to stay serious.

Return to the hotel, dinner. Prizes are awarded to the winning team.
